

**Smoking in the workplace
is everybody's business**

New York State's "Clean Indoor Air" law requires employers to provide smoke free worksites, including:

| | |
|--------------------------|-----------------------|
| Private Offices | Bars/Taverns |
| Break Rooms | Restaurants |
| Company Vehicles | Bingo Halls |
| Taxis & Limos | Bowling Alleys |

If you observe smoking in any of these places, please call your local health department. All complaints will be kept confidential and will be promptly investigated.

Nassau County Department of Health

(516) 571-3680: restaurants and bars

(516) 571-3232: all other worksites

Suffolk County Department of Health Services

(631) 853-2967: all worksites
